“ I have so many wonderful memories with Marilyn... watching her play the piano, working together on a puzzle, cooking with her in the kitchen, enjoying family vacations, cruises and adventures to Canada with her and Dad! I will be forever blessed to have known Marilyn! I'll carry the memories forever in my heart. ❤️

“ Marilyn had a heart of gold. She always saw the best in people and brought out their best. She loved family and friend gatherings and always made them a special event. In spite of her own troubles, she would always share a positive attitude. She was a gift to all who knew her. Chaplain Jill (from One Penny Place)
