

Marisa A. Hagemann

July 11, 1978 - February 22, 2024

Marisa Ann Hagemann, age 45, of Manitowish Waters, passed away unexpectedly on February 22, 2024. She was born on July 11, 1978 in Rockford, IL, to Randy Gulotta and Sonja Gulotta (Peterson). Marisa attended Harlem High School, where she participated in Spirit Squad. After graduating from Harlem, Marisa attended Northern Illinois University and graduated with a bachelor's degree in Public Health. Marisa met Jeff Hagemann of Janesville, WI, in the summer of 2013, and that's when their love story began. Their love grew day by day, and had a fairy tale wedding on January 9, 2016 in the little town of Sayner, Wisconsin. After moving to Manitowish Waters, in 2018, Marisa started bartending at the Sayner Pub every Sunday. She drew crowds of people into the Pub for Packer Games with her amazing personality, great laugh and killer old fashioned. Marisa made friends with everyone she met, no matter their age, and never met a dog she didn't like. Her and Jeff shared an equal amount of love for their three dogs Emily, Merle and Phyllis, and included them in every vacation they planned. Marisa was an incredible dog mom, but an even better step mom to her two step daughters Taylor (25) and Madi (24). Madi and Marisa went on hundreds of dog walks, coffee dates and yoga classes together, and talked on the phone about everything. Marisa loved her family very dearly, and will be missed by many. Marisa is survived by her dad, Randy Gulotta; mom, Sonja Gulotta (Peterson); brother, Brandon Gulotta; sister-in-law, Chrissy Gulotta; nephews, Lucas & Riley; husband, Jeff Hagemann; step daughters, Taylor Hagemann and Madi Hagemann;

granddaughter, Evelyn and best friend, Tracey. A celebration of life will be held at 2:00 PM on May 25, 2024 at Anglers in Manitowish Waters. In lieu of flowers, memorials may be given to Schuff Veterinary Hospital in Woodruff.

“ A bright light went out. I've worked with Jeff for years. Back in 2018 we started to get together as couples. Our cabin is close to their home in Manitowish Waters. Marisa stole the show. After a cocktail or two, she would laugh so hard she would snort. Naturally at that point we all lost control. Thoughts and reaching out now are with Jeff...

“ *I unfortunately did not get to know Marisa well, but we are related. I enjoyed our few brief conversations in the last year or so discovering our connection to each other. Her grandmother Rose and my grandfather Joseph were siblings. I had hoped to one day catch up with her in person, as I too am from Wisconsin. My heart goes out to all those who knew and loved her. Rest in peace Marisa.*

“ *Marisa was a bright light. I had the honor of meeting her and Jeff a year ago as they were traveling through Santa Fe. We met them for dinner and had the best visit. She was my friend at work and I miss her dearly. Her smile, happiness and encouragement were so special. I'm so grateful for the time we had laughing and talking about life.*

“ *Marisa was loved by many, but especially by my sister, Tracy (Bates) Hastings. Marisa and Tracy were inseparable for almost 38 years. They spoke many times each day and saw each other as often as possible after she moved to Northern Wisconsin. Marisa was like a second little sister to me, and she will be missed terribly by her classmates at Harlem and all those that knew her in the Machesney/Loves Park community.*
