“ First met marge & Paul as customers when they had the shop. Then my parents(Harvey & Alice Stahl) bought the house next door to Marge & Paul & became best friends. My daughter Susie worked for Marge at the shop in the summer. Then as my parents aged we bought the house next to them and became neighbors, too. We moved a few years ago but have continued to visit & keep up with our friend. She really loved the deer in the yard.Val

“ I am so sorry to hear of Marge's passing. I worked at the shop throughout high school and college and have many great memories from my time there. She was a wonderful employer and always had a spot for you if you wanted to come back and work. She had a very generous spirit and I will always remember her fondly.

“ I just read this online and was not aware of my grandmother's passing. She will forever be missed. I was named after her and will always have fond memories of the little time we spent together.

I love you Grandma Margie.

“ Sorry about Margie, Bob. I just found this on the internet.
Bob, think of the good times you had when you got to visit her. I
know you enjoyed that train trip and your visit with her.
I will let Gloria know.
