

Mark Pucci ,

April 1, 1952 - October 14, 2011

Mark S. Pucci, Sr. (Pooch) 59, of Manitowish Waters went up to the spirit in the sky on October 14, 2011 at 2:45 PM in the presence of his better half and dear friends at Howard Young Hospital. He was born in Kenosha, WI on April 1, 1952, the son of Joseph and Ruth Pucci. Mark loved the Northwoods of Wisconsin and of course...FISHING!!! He also loved to cook and was extremely good at it...many dinner parties with a few games of pool tossed in. There will be one less deer hunter in the woods this year, he looked so forward to deer season. Mark is survived by his wife, Darcy; his best pal, Ed Zillman; special cousin, Fritz Schilling and many great friends in the Northwoods and of course his furry girl, Sammie. He was preceded in death by his Mom & Dad and unfortunately too many close friends. Per his wishes we will be having a celebration of his life at Headwaters Restaurant, 5675 Cty. Hwy M, Boulder Junction, WI on November 5, 2011 at 1:00 PM. I know Pooch would love to thank all of his friends that have been there for Darcy during this difficult time. Thank you and God Bless all of you!
