“ *To Marty's Boys,
I was shocked and saddened to hear that Marty had passed. Seems like yesterday that she was at my farm picking up dog food for Heide.
I met Marty back in 2008 when she came to Lakeland Dog Training Classes in Minocqua.
to train her new puppy, Heide. Marty worked hard training her. She was a "natural dog trainer" and we became K9 Friends, she helped a lot of people with their dogs after training her best friend.
We would email back and forth as she loved telling me about Heide's escapades and what was going on with her Son's.
She loved you both, and was so PROUD of both of you.
I will deeply miss Marty's Spirit, & Her Friendship.
My deepest Condolences to your Family.*

“ *Our thoughts and prayers are with the family and friends of Marty. From the first time we met in 1980, Marty was always a caring and supportive person to all she met and worked with. Marty had a great sense of humor, very hard-working and dedicated - a wonderful role model. I learned much from Marty. Peace.*
