“ Mary was a BEST friend for years and years. We met at St. German Evangelical Free Church when she came up to introduce herself. She stood by my side through thick and thin and shared her incredible faith and confidence in the Lord when mine was weak and frail. We often laughed til we cried and would end our visits with hoarse throats from talking so much!  
I have never met a woman who manage through so many trials with such victory and strength. She loved her children fiercely and we prayed for our kids together over the years, laughing and crying as we watched them grow.  
I miss her so much! I am a better person because of her. I can't wait to see her again in Heaven! She has always been my Forever Friend!
