“ Our deepest sympathy to all of you...I spoke with this amazing friend after Mass last Saturday evening. Your Mom was excited to be going to spend Christmas with all of you. She was certainly a treasure to us and I will never forget her smile and her kindness and passion for life. My heart is so sad but I know she is with Jesus...what a wonderful Christmas for her.....love to all of you....words are not enough. Love, Kathy and Louie

“ *Janine & Family*
Sorry to hear about the recent passing of your mother. Just about 3 weeks ago my mother told me that my Aunt Marie Guerin played cards with your mother. I had my aunt say hi to your mother from me and after playing cards that night my aunt called me and said your mom was happy I said hi.

Had I known that services were held in Mellen last Saturday I would have come up and said hi. I have fond memories of when your family would come to Mellen and we would have fun at Johnnie's Bar. I will never forget that period of time.

With what has happened, I hope that you and your family have a Merry Christmas and Happy New Year.
