“ My husband and Maurine’s husband were cousins and our families got together at Christmas and weddings as our families grew. Maurine was dedicated to family and was a dedicated mom and home economist. She looked after her brood like a mother hen! I am grieving with her children and family. My prayers are with them.

“ Would like to extend my sincere sympathy to all of Maurine's family in your loss. We became friends at the Northwoods Needleworkers Group meetings at the Cloverland Town Hall. After that, we became phone friends. She was a lovely lady.
