“ *Maxine was a kind, pleasant person that I had the privilege of getting to know. I am grateful and will always remember the kindness and thoughtfulness she showed my mother, Lorraine, as my mother dealt with her illness.*

“ *My dear Aunt Maxine was a joy. Mere words cannot capture the fullness of her life. However, I will always be inspired by her creativity, her industriousness, her generosity and her utter resilience. She was an incredible homemaker. She was a dutiful and loving daughter, sister, wife, mother, grandmother, aunt and friend. She will be missed and thoughtfully remembered in my heart. May she rest in Peace.*
