“ I will NEVER forget the best mother in law in the world! She was awesome! I remember her warning her son not to ride his snowmobile into the lake: he didn't listen and lo and behold he called me for help when he started sinking. I had so much fun with her at Flambeau casino(she called me her lucky star). She was a wonderful, descriptive person who told things as they were.. She had a great sense of humor and lots of wisdom.
