“ We came to know Norm around 2014 as we were building our house in St. Germain. He quickly became our friend. He was a great presence around the neighborhood. He took care of the upkeep by snow blowing and cutting some of the grass. We would come of for visits on his John Deere tractor. He had a good sense of humor and was quick witted. Rick and I will miss him dearly. Rest in peace dear friend.

There are times in all our lives where words are inadequate and this is one of them. We are all feeling this loss.
