“ Dear Ruth, Louise, Joleen, Billy, and families. I was so very sorry to hear of Oskars passing. He was a very special person, and so much a part of our lives. He was always there for us when we were in need of help, and always always with a smile on his face, which was ageless. I never met anyone that as the years passed, and we met only seldom through the past years, that never aged. It must have been the goodness in him. My heart and prayers go out to all of you. He will be greatly missed. Love, Sally
