“ *Dear Bernice and Family,
With sympathy, I was saddened to hear about Ossie's unexpected death. Ossie and I were members of A.S.A. for a long time. I took 3 U.P.A.P. recertification classes from Ossie. He was a devoted member of A.S.A. and his profession. He will continue to be in my thoughts often.*

“ *Ossie:
I have missed your smiling face at the ASA meetings. I will miss more our swapping stories about our clients antics.*

With your passing, we have lost a library of real estate appraisal information.

God bless and take extra good care of you.

Your Friend,

“ *I have known Ossie for about 37 years. I was married to Bernice's son. Even though we have divorced Ossie and Bernice have always treated me as part of the family. Ossie had the gift for talking and put it to good use teaching his classes. I was glad to have seen Ossie one last time last month before he passed over to a better place. We will miss you Ossie. Bernice, and Rob my thoughts and prayers are with you.*

“ I will miss you very much my Uncle Ossie! The closeness we created after my own father passed away was a joy and filled a void in my life. Your passing so close to my Mom and your only sister has been VERY hard for me to take ... 1 day short of a month. There is one gigantic Johnson feast being held in heaven! I will truly miss the phone calls and our conversations filled w/ much sly wit and feisty remarks! Sorrow goes out to those who loved you ... Bea, Cindy & Jeff ... and of course, Gretchen. May you rest in pain-free & restored health peace! I love you! Judy

“ I met Ozzie at WCTC as I was considering a career change following my family's relocation to Milwaukee. With Ozzie's encouragement I selected real estate appraisal - it turned out to be great advise. As luck would have it I now work with Tim Leberman and he relayed the news of Ozzie's unexpected passing. I am very sorry for your loss - I enjoyed Ozzie's humor and pragmatic professional perspectives. My prayers are with you and your family.
