Although we did not know Otto, we do know how wonderfully you have honored him in your lives, taking loving care of him, working hard, doing good, and always setting a great example for both your children and the community around you. We want you to know how much we care for all of you. You are a very special family. May God bless you, comfort you and see you through this sad time. With love and prayers, Kelsey and Mindy

I had the honor of getting to know Otto from when I worked at the Lakeland Times...his sense of humor, unique perspective and his perspective always helped me sort through the craziness and added to the fun of working there...I will always remember him as being one hell of a guy...

He also gave me some advice, in a birthday card, that I've never forgotten...won't repeat it here, but it makes me smile every time I think about it :)
