“ Tom and Family: I was devastated to hear of Pam's passing. She was so positive the last time I saw her, and full of smiles as always. I really loved her, Tom, and this area will be missing her smiles, optimism and happy attitude. So very, very sorry.  
Much love and hugs,

“ *Grandma's resting face was a smile and of such contentment. She had such gentle hands and a gentle spirit. I will always remember Christmases together and how Grandma always had so many more presents than anyone else!! :) She would take her time gently and carefully opening each one, sharing a story or two along the way. She cherished that time with family all around and it was so evident that she was deeply loved!! I will hold her and all of our family memories in my heart forever!!! Love 'N Hugs to you Grandma! And LOVE 'N HUGS to you, Grandpa! <3*
