“ Deena....I'm so sorry! I had no idea that your mom was ill! We have so many childhood memories, and as adults memories too with our kids at North Lakeland! I will never forget your mother! You and your family are in my thoughts and prayers!

“ Deena Jenna and I wanted to share how sad and sorry we are for your lost. I know how very sad it is to lose a mother that you are very close to.
Your mom was always there helping at skating & the ice show - she truly loved you all. You all have been missed this year.

“ Deena, Miranda & Emily,
As you know, no one could get to becoming friends with all of you without becoming a friend of Pat's too--she was so much a part of all your lives. Because of that, and how much she gave and taught each of you in your lives, she will always be a part of you and will live on through you.
We'll miss her very much.

“ Just having known your mother in the many conversations while working at Laportes and while working at Coldwell I realized quickly she was a great person and a great mother. I know how close you were with her and how close she was to the girls. I offer my prayers and anything else you may need during this tough time. Now that we are back living in Winchester, please don't hesitate if you need some time and want someone to hang out with the girls.

I will keep you in our prayers.
