“ Pattie more known as my granny was the best. She had her own personality, and did not care what people thought of her. She was my crazy granny. I will always love her and I pray she is watching over me. Rest in peace. ❤️

“ *Oh Patti, I pray you are finally resting comfortably. I miss your laugh and your bigger bolder love of life and fun. Now I get to share all the stories from Vegas, because what happens in Vegas only stays in Vegas when you are still around to laugh with me about it you little table dancer! Dance hard, sing loud, and laugh often. You are finally free.*
