“ Thinking of her family at this time of loss. Mrs. Pickert is to this day my favorite teacher! As a little fifth grade student (1997), who was new to town, she really made me feel at home and took me under her wing. I spent many years after leaving her classroom, stopping in for a visit to talk about golfing or our Iowa Hawkeyes! I will remember her fondly with great memories and a smile.  
With Sympathy,
