“ I grew up across the street from Pats grandma in sturgeon bay. We lost touch for many years but have exchanged Christmas cards for quite awhile now. I did not receive a card from her this year, hers was always here first! I knew she had health problems but it just dawned on me she may have passed. I want to extend my deepest sympathies to her family. She was a lovely person. Gone too soon!

“ I have so many wonderful memories of Pat. We were friends in grade school and reconnected in August 2007. We enjoyed meeting her for breakfast every June in St. Germain and always had so much fun. One year she invited us to her cottage in Minocqua. She sent the best birthday and anniversary cards. I loved the one she sent about taking a Carribean Cruise for our Anniversary with a fold out cruise ship and accompanying music. I will really miss Pat. She was a special, caring and fun loving lady. Blessings to all of the family, Peggy Royseck
