

Peggy A. Klabacha

August 8, 1950 - December 1, 2014

Peggy A. Klabacha, Lover of great food, wine and friends, has entered eternal life on December 1, 2014. She was an amazing mother, nurse and an avid animal lover and her spirit is carried on by her three children, four grandchildren, two siblings, three dogs, one cat and an extended family of relations and friends from every walk of life. She will be joining her late husband, Martin Klabacha, and together they will enjoy eternal peace. Even though she was battling cancer for over 20 years, she was always one for making memories, as her friends would attest to. And she always knew the best way to deal with every daily struggle was a cold miller lite with good friends. She was a rock of support for so many and her loving family and friends will tremendously miss her. Her passion for life, one day at a time, defined many moments of happiness from sharing great food and wine with friends, to standing proudly at her children's greatest moments, and the fond memory of her grandchildren. Her loss has created a missing piece in many lives that will be filled with memories of her beautiful smile. The family and friends want to thank everyone for their prayers and support. A Funeral Service will be held at St. Anthony of Padua Catholic Church, 650 Old Abe Road (Hwy 47) Lac du Flambeau, WI, on Saturday, December 6, 2014 at 1:00 PM, with visitation one hour prior to the service at the church. In lieu of flowers, donations can be sent to Dr. Kate Hospice, P.O. Box 770, Woodruff, WI 54568, which showed great care and compassion for her final days. God Bless.

“Peggy was an effervescent person. For the many years I knew her and her family, she could always look at life with a laugh. I appreciated her input when our kids were young and playing summer league softball together. I will remember her with fondness.

“So sorry for your loss. I didn't know Peggy very well, but what I did see was how she enjoyed life as best she could through out her whole battle with cancer, always a smile. May your spirit and strength live on in all the many lives you touched. Peace be with the family in the days ahead.

“ *My mom was good friends with Peggy but I only met her a few times. I was impressed with what a wonderful and strong woman she was. Fun and full of life... The news of her death saddens me - the world will be a different place without her energy My heart goes out to Peggy's family but I am sure that my mom is taking good care of her in heaven just like she took care of my mom when she was sick. Sorry for your loss, Klabacha family.*
