“*Darlene, Pat, Kevin and Mike: I will never forgot our camping trips and to this day, will always remember the "mud" swims with a smile. Phil would tease me (like my father), but it made me love him even more. He will be missed, but knowing he's with my dad, brings comfort. My deepest sympathy to you and your family. Love Vicki, Tim, Aaron and Briana Davies*

“*Darlene, Pat, Kevin and Mike,
We were so sorry to hear of Phil's passing. I too have so many fond memories of Phil. How could any of us forget those great camping trips - especially the one where it rained for days straight? I remember before we moved to "Chicago" Vicki and I came down and you took us to Old Chicago and you introduced us to White Castle. When I got married I remember Phil dropping off my wedding gift unwrapped with a \$10.00 bill taped to the box. He said he didn't want to spend the money on gift wrap and he would rather give me the money. I remember Mom and I just laughed and said what a great idea! I also remember being teased by Phil (just like my Dad) and how it made me feel special and loved. We will miss his great smile. Our thoughts and prayers are with you all during this difficult time. I smile knowing Phil and Dad are together watching over us all!*
