“ Oh dear.....I just saw this obituary: Dr. was simply the best - she was my GP in the 1950's and 60's.....she was always so kind and gentle. I just wish I had known that she moved up North because I definitely would have visited with her. She will truly be missed.

I just had a thought about Dr. Schlotterbeck and thought to type in her name. She was our wonderful doctor in Skokie. My dad helped her with her house in Golf. I loved her sense of humor and her nurse. I'm glad she enjoyed life.
