“ Dear Peter, Joni, Liz and Michael
We know it was expected, but we were so sad when we heard Priscilla passed. She was truly a Grand Dame. You mom was so down to earth, and at the same time a very classy lady. Wendy always loved the way she wore her jewelry. She has picked up some bad habits from those 2 Isaacson ladies. Bill and his friends loved how welcoming she was whenever they went up there for the fishing. Every time we visited, Priscilla would always ask (and ask again) how Anne was doing. She always remembered the important stuff that was happening in our lives. I would say she was pretty sharp right to the end. I feel very blessed to have been a part of her life these last 42 years. My children love the north woods because of her hospitality. Our go-to vacation spot was Arbor Vitae every year. And Jeff has told us some funny stories about life on the farm. She lived such a full life, and touched our lives deeply. We will certainly miss her! Love you guys.

“ Laurie and I are saddened to hear of Priscilla's passing. I have so many fond memories of the lake house and welcoming family, And the almost always interesting dinner table conversations! Priscilla was always so gracious and generous to Pete's friends! I am ashamed I never thanked her enough. Love, Rich and Laurie
