“ *Met Reed working at Walmart. What a great guy. Always was there to help anyone. He knew a employee was a fan of a certain race car driver. He gave her some of the race car stuff he had collected. She was so excited and he never wanted her to know who it came from. That was Reed. Always giving. RIP Reed. Prayers to you Sue and your Families.*

I met Reed when we were working at Walmart. He was one of the kindest most gentle men I have ever met. He loved his family dearly and talked about them all the time. I remember him at Christmas, shopping and picking out gifts for his nieces and the items from the giving tree for the elderly. After he left Walmart, it always made me happy to see him. He was truly a gem. May the Lord give you, and your family strength, comfort, and peace during this most difficult time.
