“ We share your sadness in the loss of your Mom. She was my second Mom all through high school. I will never forget her wonderful meals, her homemade pasties, and fresh raspberries from the garden. There was always a lot of Polish talk going on around the kitchen table! She would tell Rita what all her Christmas presents were in Polish! And who could ever forget her "Polish Quilts" on a cold winter night. She was quite a lady and I will never forget her and how kind she was to me. You are in our thoughts and prayers, you have many years of happy memories! God Bless and God Speed Regina! Hello to Jerry and Bennie for me!

*Love Always,
Brenda*

“ The love and comfort of a mother never fades with time. Rest in Peace dear Regina, only when your not polka dancing with the angels.
