Pieces of You

You gave us many gifts, though none can compare with "Pieces of You." You gave us joy and humor through your practical jokes and infectious laughter. Responsibility and commitment through your steadfastness in your employment. Stability and loyalty as a loving husband and father for us to emulate. Honesty and respect through your genuine spirit with family and life long friends. Support and assurance that you were always there for us no matter the circumstance. We love you for giving us "Pieces of You" that have touched us so much. We are blessed that God gave us someone like you. Service is to be held on April 10th at 2:00pm at the First United Methodist Church 724 Arbutus St, Rhinelander, WI 54501. A fellowship with light refreshments will be held after the service at the church.

He could always make my day so much better after I would come in to MSSL for work. This man, could make you smile, and cry from laughing so hard. “ I had know Richard for a short time. I had learned many things about him. He loved egg sausage and cheese breakfast sandwiches and loved his cold water. He shared many memories of his life with me and I had grown very fond of him. He will be missed dearly. Tammy Walport
