“ I did not know Rico or Lisa that long, but I do know they are both spectacular human beings. I met them because we all frequented a local coffee shop and after several mornings of seeing each other there, we just started chatting. Each time we'd cross paths after that we'd share stories about travel, our kids, work, whatever. Rico was a bright light, a kind person, and a fantastic dad/husband, this I could tell from our encounters. The north woods are lucky to have had him and the angels are even luckier now. My heart is so heavy for his family. - Jessy

“ Rico has been a hero to my son, Peter. Peter is on the autism spectrum and is in the Project Search program this year. He had the opportunity to work with the Spirit crew this fall. Rico and Peter talked quite a bit. To Peter that was pretty amazing that he got to talk with an actual pilot and then Rico made Peter's dream come true. Rico took him for a flight in the Spirit helicopter. This is something Peter and I will never forget. Thank You Rico for being a part of my son's life. You will never be forgotten.

“ *When Rico was about 8 years old, we took him on a trip from Northern California to Disneyland with my son, Robby. All the way down to LA, they were laughing in back seat of car. It wasn't until we got to our hotel that I realized that they had been throwing gum into my hair the whole trip. They of course, thought it was so funny. Me.. not so much. I love the Caruso family with all my heart. And right now, my heart is breaking. Rico was a good soul. Raised by a great family. May he Rest In Peace.*

“ Words can not express our sadness and disbelief! Kathi, Frank, Gina, Lisa and baby girls, our hearts are broken for you! I can't even begin to imagine your pain! You have all been in our prayers everyday and heavy on our hearts! We love Rico like a son as well as I know you do Brad! We will never forget his laugh, or his bright handsome smile! The times he spent with us in our home were always special, you could talk with him about anything! When He, Brad, Chase, Jared and Chris would play air guitar and sing karaoke almost every weekend was the best of times! Their dances and proms, all of it I can still see when I close my eyes! Not to mention the many years on Shasta Lake in the house boat with us! Those days we will always cherish! Rico we will miss you so very much! A piece of all our hearts are gone! This world lost one spectacular human being!
