“ Grandma, I miss you with my everything, I love you with my all.
I wish you were here, I wish you could see my graduate this year,
Every year that passes without you I'll always shed another tear.
I hope you're soaring in the sky with Grandpa Bill,
I cry with sorrow, I cry with tears, for whatever may bring us
tomorrow,
The ground is cold, my heart has frost, I miss you dearly, it's you I
lost.
The leaves are falling really slow, Grandma please tell me why you
had to go,
I can't wait until we're are together as a family again so our
happiness can last forever,
But now that my happiness is gone and so are you, now I know
happy endings aren't always true,
Every time I think of the Holidays and birthdays without you my
heart just aches,
I have so much hurt and sadness inside of me I just might break.
I knew this was coming and you did too,
All I want to know is why and what I'm suppose to do without you,
Grandma I miss you with my everything, I love you with my all.

“ Grandma,
I miss you so
There will not be a day when i let go
You'll forever remain in my heart
I'll cherish all of our memories
I'm sorry for never listening
I tried and tried to make you proud
but, It didn't work everyday every night i cry, I weep, I dont make a
sound.
I don't sleep
When i do its deep!
I love you
Rest in peace my beloved Grandmother!
I miss you so
