“ *My uncle Bob once hit my older brother (high school aged) in the face with a cream pie. Such a glorious moment I'm sure plenty of others would have wanted to take their turn! I loved my vacations to the North Woods and am so glad for all the wonderful years he and his lovely wife (my Aunt Lorraine) had in the woods they loved. One magical canoe ride a majestic Eagle kept pace with us it was so awe inspiring!* ”

“ *What a wonderful man. Bob was kind, giving, and a true friend who would always willingly help others. Bob always had time for anyone and was a great role model for all who knew him. I had an insurmountable amount of respect for Bob and will miss tremendously. --Dan Wohlleber* ”

“ Uncle Bob was the only true "McGuyver" I have ever know. He was the most resourceful man on earth. remarkable in the best of times, and even more remarkable in the less than best of times. Godspeed to a wonderful man. We were all better to have known him.

*Bob was a wonderful man who liked to share his diverse knowledge with others. He taught me many skills which were simple to him but new for me: like soldering a copper water pipe joint. He was a friend to me while I also worked at Trout lake DNR. His presence will be greatly missed.*
