“ Linda, it's Paul Weiskopf, Bob was a dear friend to me in Skokie. We lost contact many years ago. I am so very sorry to hear of his passing. I had been hoping to reconnect, instead I find that I'm too late.
Please know that you have my deepest condolences, as do Rodney and Tiffany.
Bob was a truly fine man, and a wonderful friend. I had been thinking a lot of him lately and am deeply saddened to read of his passing.

“ Linda, its Debbie and Gene Carpenter. We have been thinking about you both a lot lately, and I did my darnedest to find you. This is what I found. We are so very saddened by your loss. What a great friend he was to Gene, and our best man at our wedding. We have thought about you often and wish we could have reconnected sooner. We have so many fond memories of all of our crazy fun times together. We will hold on to those loving memories. Somehow would love to connect with you. Hope you get this message albeit almost a year.....

“ Mrs. Grau, my name is Phil Morgan. I am the General Manager of Missouri Meerscham Company (the corn cob pipe company) in Washington, MO. Bob and Jim York were the first people my wife Pat and I met at the Chicago Pipe Show back in 2013 when we first attended. Pat and I must have looked lost, so Bob and Jim waved us over to their table for the buffet dinner. We quickly became friends and looked forward to seeing Bob and Jim each year. We are extremely sad to hear of Bob's passing. The Chicago Pipe Show will not be the same without having dinner with Bob and visiting throughout the show. You and the family have our deepest sympathy.

Thank you so much for sharing your memories. Feel like I know you as Bob always spoke so fondly of you both. He loved going to the show I think more for the people than the pipes, although he always came home with his treasures. At the ne t show imagine him there enjoying you and your wife, loving every minute!

Hi Linda, I'm reaching out to see if this is the same Bob Grau..my godfather and former Skokie police officer. Let me know if you would...I'd greatly appreciate it.

“ Dear Linda, Linda and I send our condolences and prayers. Like Al Marks, Bob was one of the first guys I rode with when I joined the department in 1972. He taught me to be compassionate and thoughtful in the way I handled calls and arrests. That helped me throughout my career. Linda and I also enjoyed our off-duty get togethers with the both of you. He was a wonderful man! Jim & Linda Hart

Thank you for the kind words you expressed about Bob. He'll be missed by many. I still remember the M & M outfits you wore on Halloween one year.
