“ Carol,
I just read Bob's notice this morning in the paper and I was saddened to hear of his passing. He was so kind to me whenever I visited you at your home in Wauwatosa. He would have coffee and Simma's sweet rolls in the kitchen before we took off on a road trip. My sincere sympathy to you at this difficult time.

Thank you. He was a great guy and I'm still not sure how life will be without him. Thank you for reaching out. It helps to know that others remember him with affection
