“ Pat was one of the first to help us upon our arrival north, spraying spiders around the condo, and he never stopped helping. A great friend and support always. Peace Pat and condolences to Sue and family. With love Lori and Pat Kessenich

“ So sorry to hear of Pats' passing. He was a great help to me when I had my Floral Shop in MW. He always knew everyone and where they lived , and would help me find the person I needed to deliver a bouquet to. (Along with a Fair amount of gossip!) he came into the shop almost daily to see how I was “working out” when coming to town while picking up the mail. His guidance made me think of him as “Dad” up North! We talked Military, too, as my Dad (now 102) served for 38 years , so thank you for your love, caring and service!

  You were very special to me, You old grouch !

“ Pat surely made an everlasting mark on those who met him. He spoke what he felt and knew. Pat was a most caring person. His caring was exemplified when he shared his concern for Sue and also when he, almost weekly, visited Dick during his illness. My prayers are with Sue and family. May Pat rest in the loving arms of the Lord.
