“ *I'm going to miss you Uncle Bob, I wish I could have been there for any services that were held . You were my night owl buddy . Thank you for being in my life .*

I was happy to finally meet you later on in my life . I wish it could have been earlier . Despite anything , you didn't hold anything against me for what other people did. Keep on smiling you always said . I'm not smiling now because I miss you and lost you . I missed your services too, and I'm upset about it . Thank You for the Harassment Englishtown Police , Which they are going to be accountable for . That's a promise.

You dropped it all to come see me when I was ill and had noOne , which I appreciated and will not ever forget .

Rest in peace until your awaken , like Lazarus did . Dust to dust . After 4 day's Jesus resurrected him . But Jesus cried too, even knowing he could resurrect Lazarus .

When you wake up it will be after armageddon , there will be no more pain or death . Rev 21:3,4.

Then we can live forever .

“ *Family of Robert F. Prolow*

I was so shocked and saddened to hear of Bobby's death. It is sad that we lose contact of so many of our friends. I learned of Bobby's death through April Prolow Hoffman on facebook, just recently and hope you will get this message. To all of Bobby's family may you be consoled to know we thought so much of him and he was a regular visitor along with Bruce at our household when we lived in Spotswood. Sorry to hear how much he suffered. May he RIP Marge and Bill Reid
