“ Played basket ball and foot ball with Roland and have found memories of the team when Lakeland was formed with the consolidation of the schools. Always liked the jump shot he had as a guard. I am sure he will be missed by his family and friends and even though I haven't seen him in years at the Howard Young Medical Center I know he is in a better place now.

“ I was just a bartender when I knew you. You and your family bowled where I worked in Woodruff. I have the utmost respect for you and your family. I remember only good memories of our conversations. You never had a bad thing to say about anything or anyone. The void that you leave in this world will be filled with positive things and better people that you helped create during your time here.

RESPECT

Rick, a friend.
