

## Ronald M. Bricco

May 15, 1958 - July 30, 2025

Ronald Bricco, age 67, of Presque Isle, Wisconsin, born May 15, 1958 in Milwaukee, Wisconsin, passed away peacefully after a tough battle with pancreatitis on July 30, 2025 at Froedtert Hospital in Milwaukee, surrounded by the love of his family.

He was a devoted husband, loving father, cherished friend and a carpenter who touched the lives of those around him with his vast workmanship, skills, and his passion for helping others. Ron was a builder like few others; he built and improved homes through northern Illinois and northern Wisconsin across his career spanning 40 years.

Ron was an avid deer hunter, he loved snowmobiling and boating, and he was a big fan of sports.

He is survived by his wife, Tracey; son, Jason; daughter, Taylor; sisters, Nancy, Sue, Lois, Mary and Linda; brothers, Ray and Tom; and many nieces and nephews. He was preceded by his parents, Raymond and Irene Bricco.

A Celebration of Life will be held soon for Ron at the old Carlin Club in Presque Isle, Wisconsin. Date to be determined.

“ Thoughts and prayers go out to the Bricco family. Ron was a special person. He was very kind and generous with his time. Always there to help us. We had a 2nd home next door to him and his family for 20 years. He would check the house periodically making sure there were no problems. He maintained the lawn and in the winter plowed our driveway. Most of all, he was a great neighbor to live next to....rest in peace Ron.....
