“ *What a wonderful person to know. I will cherish all the talks we had and the knowledge she had. I will surely miss seeing her walking down the street to her many adventures for the day. I will cherish my memories of you coming into Save More and making my day. Enjoy your eternal walks, I bet they will be beautiful. Rest in peace Rose. Condolences and prayers to your family.*

“ *Rose was had a gentle soul. She was a big part of our lives as our step mom. Growing up, we spent weekends flea marketing around Wisconsin. She was always on the hunt for the next treasure. She wont be forgotten and will be missed! Rest in peace!*
