“ I first met Rosie and Brian at Twin Pines years ago and was immediately impressed by the connection they had with each other. Rosie was a good friend to my senior citizen parents and was always there ready to lend a hand when she could. She was down to earth, but a breath of fresh air compared to so many people you meet. She will be missed in Manitowish Waters. Liz Ursin

“ Rosie was a kind hearted, fun filled woman. She had wisdom and courage! She always filled the room with laughter. She was down to earth and had natural beauty. I often had the pleasure of babysitting her wonderful children, in which inherited her beautiful smile and great sense of humor. She was so proud of her gardens that she grew. She had a uniqueness to her that shined upon all. Rosie will be greatly missed. May god bless her soulmate, Brian sr., and her loving children Brian Jr., Jenny, and Jessie. Bless her grandchildren, siblings, and her beloved mother! May you rest in peace Rosie!

“ Rosie had the most infectious giggle, the most mischevious smile, the cutest freckles and the warmest heart! She was always friendly, but not afraid to tell things like they were. Our family has lost another jewel and heaven gained another angel. May memories be of comfort now and forever.

“*Rosie was like a mother to me. She was there for me whenever I needed anything - advice, help, a hug, or just someone to tell me I was being ridiculous. I can't imagine her not being there. I wish I could be there with you all but please know that I am remembering her and mourning for your loss from here.*”
