“ Ryan will be deeply missed. He was such a warm, caring person with such a unique charisma. Always smiling at work, happy to be there, eager to take care of the residents. I can never think of the Chicago Blackhawks without the thought of Ryan and I "high-five ing" in the hall. Miss you!

“ *I am so sorry to hear of the loss of Ryan. He was one of my hockey players and I loved coaching him and having him on our teams over the many years of youth hockey. He was an excitable and hard working player and was fun to have around the guys. I will always cherish the time I spent with him and his family and will pray for him and their loss.*

My deepest sympathies to the Larson Family at the loss of Ryan! It has been a long time since I have seen him or his sisters but they were always such well behaved and good friends to my stepdaughter. God needed another angel .
