“ Dear Aunt Karen and MacGregor cousins,
I was so sorry to hear of Uncle Sam’s passing. Sharing the Lodge with the MacGregor family while we were growing up are some of the fondest memories of my life. We never knew how good we had it, it was like one huge family with two Dads, two Moms, and lots of kids running amok. I remember Uncle Sam swimming with us kids for hours at a time throwing Jamie and I up into the air over and over again and driving Mr. Boat all day long so each kid could take a few waterski laps around Pike Lake. Uncle Sam worked hard and played hard and was a great role model for us all.
Our thoughts and prayers are with you all at this time.
