“ Roger and Family - News of Sandy's passing just arrived via email to a bunch of her former classmates at RKHS. Sandy was in our Tri Hi Y and, like me, was a fellow Job's Daughter, too. Ah, we had fun together and we will miss her at next year's 50th. Take care, all of you. Jacquie Schultz Becher

“ So sad to hear Sandy has passed. She was much loved by her many friends at RKHS. How could we not love her exuberant personality. She always had a smile for everyone. I am proud to say that she called me her friend. Condolences to her family and friends. We grieve with you.

“ I was in the same homeroom as Sandy who was a cheerleader at Rufus King High School. I remember as kind, funny, easy to laugh, outgoing and respectful of the feelings of others. When it comes to remembering homeroom and sports, Sandy comes to mind. And that is the important thing, that she made an impact and that she is remembered. I was saddened to hear of her passing and offer my best wishes to her family and friends.

“ To Roger and Family,
I was so sad to hear about Sandy. We were such good friends at King (locker partners), sharing in clubs and activities, double dating, doing crazy things. We still kept in touch at Christmas. Her sparkling personality will really be missed, but the heavens have gained a twinkling star.
My sympathy to all of you.
