

## Sandra E. Thompson

January 22, 1937 - August 29, 2018

Sandra Eileen Thompson (née Stolz) went to meet her lord and savior Jesus Christ on August 29, 2018. Born in Chicago on January 22, 1937, Sandra happily spent the last years of her life in Minocqua, WI. Sandra was preceded in death by her husband, Robert Thompson, her parents, George and Alice Stolz, and her nephew, Tim Graff. She leaves her sisters Georgianne (John) Graff and Carol (Robert) Steele; as well as her niece, Michelle (Reynir) Marteinsson and their daughter, Janet. Sandra loved animals of any kind and had several cats and dogs in her life that she cherished. They gave her great comfort in her life-long challenge with mental illness, and later with Parkinson's Disease.

A celebration of Sandra's life was held at Country Terrace of Wisconsin. Sandra's family would like to thank the staff there for the care given to Sandra in her later years. We would also like to thank Hospice, especially Chaplain Jennifer, for their care of Sandra and aiding her in her passing.
