“*She was my youngest child. An answer to my prayers. Literally. I miss u every day. I still can't believe you're gone!! I pray that you are with the Lord in heaven. I feel so guilty because I couldn't be there for you when you needed me the most. Why wasn't anyone there to help you with the voices and the hallucinations. They should 've stop giving you those meds! Oh my lil Piggy my life will never be the same. Brother and i miss you so very much. It is only bt the grace of God that i am able to function at all. I know we will meet again. Forever in our heart n on our me mind.*
