“ I am so sorry. I just found out about this two days ago. My name is Paul and I own the cabin next to Scott's A-frame. I always enjoyed Scott when our paths crossed on the road and wish it had happened more. I stopped in to see him last summer at his office and was met with his usual friendliness. Scott also had a great relationship with my parents when they were alive, and for this I am very thankful. My thoughts are with all of those who knew Scott and especially his relatives. Wish I had a contact person as I would gladly help anyway I could if his cabin needs work or things moved. Best wishes to all of you.

“ I am so very sorry to hear of his passing. He was a great childhood friend. I'll always remember our 2nd floor window to window conversations at night across the driveway and the tin can phone cord we tried to set up . Many years of fun games and memories. He left this world far too soon. You are in my thoughts and prayers. My deepest sympathy.

“ Dear Shirley and Suzanne,  
Maybe it's the coronavirus's relentless focus on our sensibilities, maybe it's that the family name is Lenicheck, who knows, but whatever, news of Scott's passing hit me hard from the blind-side. I cannot imagine the emotions you must have experienced. What I know of Scott came from Doug and my mother via my Aunt Dot (one of my all-time favorite people) and was a continuing reinforcement of how much Scott liked living where he did and practicing his profession there. He was one of those happy few who, in spite of various misfortunes, had a center that held so things couldn't fall apart. Blessing or accomplishment it was a plus. A big one.  
Emese and I are thinking of you.  
Love,  
Tim

Scott has been my accountant for more than 30 years. I'm shocked and saddened to learn of his passing. He was such a super guy. RIP Scott.
