“ *Job 14 (13-15) Life, like a mist, appears for just a day, then disappears tomorrow. All that we are can quickly fade away. He will call and the dead will answer. So have faith and do not wonder. For our God can make us stand and live forever. Cecelia*

“ My grandchildren and I will always remember the times Shirley would ride down the path at the campground in her golf cart. She always brought such joy to her campers with her bright and warming smile. Presque Isle Campground will never be the same without her presence, but she will forever live in the breezes that pass through the tall trees. We will miss you and always remember you when we sit around the fire and listen to the frogs croak. Rest In Peace Shirley.
