Steven J. Dimig, of Presque Isle, passed away peacefully on February 21, 2024 at Seasons of Life in Woodruff. Born April 10, 1956, in Atlantic, Iowa to Paul and Rose (Procopio) Dimig. They were a farming family, raising purebred Duroc hogs and cattle. Graduated from Atlantic High School in 1974 and went on to Iowa State University, majoring in Mechanical Engineering. He had a lifelong interest in cars, working mainly as an automotive engineer. After college, he started his career at AC Spark Plug in Oak Creek, WI, where he met his wife Kathy. They married October 6, 1984.

After their three boys were born, the family moved to Plymouth, WI, where they had a hobby farm and raised llamas and sheep. Steve was devoted to his family and enjoyed participating with the boys in the Johnsonville Hustlers 4-H club, 4-H Llama Project and also 4-H Knobby Tires ATV club.

the other members and participating in all the fundraising projects, including Fish Boil, Tailgate/Raffle for Packer/Badger games, and the big 5-day Sheboygan County Fair, selling their famous grilled cheese sandwiches and corn.

Steve especially enjoyed the Lions' service projects and took on the Lions' Reading Machine project, bringing the machines to community members in need, setting them up, teaching them and their families how to operate the machines, and being available whenever service or upgrades were needed. He began working with this project in 2003/04 and continued until retiring to Presque Isle, WI in 2018. His son Michael has now taken on this project. Steve was happy to join an active Lions Club in Presque Isle where he also enjoyed working on many fundraising events, such as the annual rummage sale, pancake breakfast and lobster dinner. He also served as President of the Presque Isle Lions Club. Through Lions, Steve earned a number of awards: Lion of The Year, Melvin Jones Fellow and Knight of Sight.

Steve was also active in the Winegar Riders ATV/UTV club in Presque Isle and became president of that club as well. “ With a heavy heart, it just seems way too early to be writing my condolences and special memories of Steve. When Steve married our sister, Kathy, he immediately fit right in, and put up with all the crazy antics of her 4 brothers and 3 sisters, and their families. I loved how he laughed at even my silly jokes! He welcomed us with open arms for many family traditional picnics, holiday gatherings, and to their beautiful homes, including the farm, and the lake house in Presque Isle. He was such an intelligent, kind, caring and soft spoken human being. His involvement in many groups and causes reflects his compassion for fellow human beings. A special memory of Steve that stands out in my mind, is that when each of his three boys was born, it was Steve, who gave them their very first sponge bath...so gentle, so caring...He was a wonderful husband, father and brother in law to all of us, and we feel sincerely Blessed to have had him in our lives, and thank God for him. We know without a doubt he was met by Jesus, who, exclaimed, "Well Done Faithful Servant!" rest in Heavenly peace Steve, where there is no more pain, tears, we all look forward to seeing you again for eternity...that's a long time to put up with us again Steve!!! Till we meet again. With Love, Sue

“ *The entire Presque Isle community, and St. Rita Parish in particular, were so blessed to have known Steve. He was quick to share his amazing mechanical abilities and to volunteer in so many ways. He also had a true appreciation for finely crafted beers! He'll be truly missed by all of us. God bless.*
