

Steven L. Lemma

July 23, 1957 - August 7, 2025

We lost Steven Lemma on Thursday, August 7th, to cancer. He was 68 years old.

Those of you who knew Steve will remember him as a kind, witty, helpful and gentle man who worked hard and walked an honest path.

He found contentment and peace living the simple life. He took enormous pleasure in all that nature afforded him. From the tiny vole burrowing in the snow, coyotes piercing the night, endless songbirds or chipmunk antics, Steve seized those moments. He logged endless hours in the woods and on the waters and never forgot to notice the clouds or embrace the night sky.

He was a truly devoted and loving husband and will leave an emptiness that will never again be filled.

Julie would prefer to grieve in private.

If you would like to reach out, you may do so at PO Box 165, Sayner, WI 54560. No online condolences please. Thank you for your understanding.
