

Susan E. Bolks

November 28, 1942 - December 3, 2021

Susan Eileen (Pfleeger) Bolks, age 79, of Minocqua, Wisconsin died peacefully with family by her side and entered into the arms of her Abba Father on Friday, December 3, 2021 at 2:55 am.

Susan was born in Geneva, Illinois on November 28, 1942 to George and Margaret (Andersen) Pfleeger. She grew up in Batavia, Illinois, with her parents and beloved brother Jim, spending summer days at the family cottage and waterskiing on Lake Geneva. School days found her playing clarinet in the marching band for Batavia High, volunteering at the local hospital and making lifelong friends. Upon graduation, she attended Hope College and graduated with a BS in Nursing from Swedish Covenant Hospital, Chicago, IL in 1965. While at Hope, Susan met her future husband, Ervin Bolks. They married in September 1965, raised two daughters in Tarzana, California and were blessed with 56 years together.

Sue loved to laugh, spend time in Bible reading and prayer, take care of her family, play tennis, knit, nurture treasured friendships, disciple women, and create beautiful quilts, many as special gifts for others. Her enormous caring heart, genuine interest in the lives of friends, family, beloved grandchildren, and strangers along her path, were examples to emulate.

Susan was preceded in death by her parents and husband Erv who passed

away November 6th, only weeks before her. She is survived by her brother Jim (Donna) Pfleeger, daughters Heather Evenhouse (Charlie) and Cathy Muir (Bill) and beloved grandchildren who called her Oma, Zach & Kadee, Connor, Justin, Henry, Abe, Ava, Jim, Rachael and Sara. A celebration of life will be held Tuesday, December 28th, 11:30am at Faith Evangelical Free Church, Woodruff, WI with lunch following. A service honoring both Ervin and Susan will take place in the spring of 2022 in Michigan. In lieu of flowers, memorials may be given to Stand to Reason, 1438 E. 33rd Street, Signal Hill, CA 90755 or Bible Study Fellowship, Global Headquarters, 19001 Huebner Road, San Antonio, TX USA 78258-4019.

“*Heather and family, I am saddened to learn of both of your parents dying within a month of each other and in two holiday months that bring families together in their faith and love. Words in your Mom's obituary reminded me of her legacy passing through you as one with an "enormous caring heart" also. As you grieve together may you find comfort in your treasured memories and your Hope of Heaven! Be assured of our family's prayers, especially on the 28th as you celebrate their meaningful lives. A poem's last line says, "Grief is the price of love " Sending sympathy and hugs to the whole family.*

What an amazing journey our Combs family has had in being friends with your mom (and Dad) for many years. They have been such a loving and gracious influence and godly example to all of us, and especially to our Mom and Dad. We thank God for our wonderful friendship and the impact that He has had through your Mom and Dad on our family, and so many other friends...
