

Susan L. Freckmann (Rohloff)

May 2, 1954 - February 26, 2014

Passed away February 26, 2014, age 59 years. Loving wife of Lloyd for 32 years. Loving mom of Bradley, Ryan (Kassandra), and Dale (Alicia). Proud Grandma of Ayden, Hailey, Ethan, and Ty. She was born in Milwaukee, WI on May 2, 1954. Throughout her childhood she resided in Hawaii and Texas before moving back to Wisconsin where she graduated high school. She was a dedicated nurse for over 30 years and had a true passion for helping those in need. All that knew her, knew that she had one of the biggest hearts in the world. She enjoyed arts, crafts, sewing and especially photography; and over the years she made many keepsakes for her sons, family and friends to cherish. A celebration of Sue's life is being arranged for sometime in late spring or early summer 2014 and details will be announced at a later date.

“ To Lloyd, Brad, Ryan, and Dale,
We are so sorry to read in the paper of the passing of Sue. We wish you our thoughts and prayers to get you through this hard time.
Who would have thought that just by answering a job add to care for two small boys for an half and hour a couple afternoons a week, we would share our families lives for a number of years to come. Hope your lives are all going well other than at this time.

“ *When I think of Sue I think of good times with our families. Campfires on Red Lake, snowmobiling through the north woods with 8 of us in a row, fishing, boating. I smile at all the good times. Our families are better for having those good times together. I am better for having known you. God bless you and the family you leave behind.*
