“ I am so sorry to hear of Susana's passing. She and I got to be close when we worked at Dr. Robinson's together. She took me under her wing when I was going through some rough times(divorce)and I appreciated it more then I am sure she knew. We also had a lot of great times too and laughed alot.

Julie & Adam, Leanne, and Tracy, you are in my thoughts. I know she loved you very much!

Rest in peace, Sue.

“ *My deepest condolences to Susana's family. It is never easy to lose a parent. The only consolation may be that it is in the order of things. I honor Susana by observing that she raised fine children, grandchildren, and granddogs. That's no easy task.*
