February 14, 1945 - May 5, 2026

Terry Prust, a loyal friend and steady presence to all who knew him, passed away peacefully on May 5th, 2026. His life was defined by quiet strength, unwavering integrity, and a deep commitment to the people and communities he cared about.

Born in Milwaukee to Dorothy and Gilbert Prust, Terry moved to the Hartland area at a young age. It was there that he built the foundation of the life he cherished. He married Debbie Olson-Prust, and together they raised three children—Bryan, Derek, and Lindsey—in Terry's own childhood home. In the late 1990s, the family moved to Ashipun, where Terry continued to create a home filled with love, laughter, and countless memories.

As a young man, Terry attended Arrowhead High School before joining the United States Air Force, proudly serving as K-9 Security and Trainer while stationed in Germany. After returning home, he graduated from Waukesha Technical College and went on to build a successful career in electronic sales.

Terry was a well-known and respected figure in his community. He served for several years as Town Supervisor, remaining actively involved in local politics and civic life. His love for baseball was lifelong first as a player for many

years, and later as a coach to all three of his children. The memories made on those fields became some of the most cherished moments of his life and theirs.

In his later years, Terry found peace and joy in the Northwoods, spending his time fishing, hunting, and appreciating the quiet beauty of the outdoors.

Terry is survived by his children:

Derek Prust of Presque Isle, WI

Bryan and Lindz Prust of Colorado and their daughters Sienna and Leila

Lindsey and Caleb Feyereisen of Hudson, WI and their children Poppy and Grant

They will forever cherish his memory and carry forward the values he embodied. Though he is no longer with us, the impact of his kindness, and his love will continue to echo through the lives he touched. May he rest in peace.
